

CRITICAL INFORMATION SUMMARY

INREACH SAFETY PLAN - NZD

Information about the Service

The service provided is a Pivotel New Zealand inReach 2-Way Satellite Communicator Service which uses the Iridium low earth orbit satellite network together with inReach customer equipment. Customers can use the service to send and receive messages including text messages, emails and SOS messages and for location based tracking services. The Pivotel New Zealand inReach 2-Way Satellite Communicator Service works in conjunction with the Explore Portal, and can be accessed at <https://explore.delorme.com/>.

Minimum Term: There is no minimum term.
 Included Call Value: Free SOS messages and GEOS emergency response, and up to 10 satellite text messages.

Information about Pricing

Connection Charge: NZ\$34.44.
 Minimum Monthly Charge: NZ\$26.39 per month.
 Early Termination Charge: The maximum charge for early termination is NZ\$60.84 plus any excess usage charges.
 Cost of a 2 Min Call: Not applicable.
 Cost of a Standard SMS: Not applicable.
 Cost of 1MB of Data: Not applicable.
 Number of Standard Calls: Not applicable.
 Additional Pricing Information: Satellite text messaging costs NZ\$1.38 for each message submitted from the device, or sent to the device from the Explore Portal. Satellite tracking points cost NZ\$0.40 each. Up to 10 satellite text messages are included in the Minimum Monthly Charge.
 This inReach plan can be suspended for a monthly fee of NZ\$6.84.

Other Information

The Pivotel New Zealand inReach Communicator device can operate together with an Apple or Android based Smartphone or tablet. Simply install the free Earthmate app (available on Apple iTunes or Google Play), and transform your Smartphone or tablet into a two-way text-messaging global communications device and a GPS viewer (with the latest terrain and road details).

The Smartphone or tablet is sold separately, and must be connected to a mobile carrier network. The pricing plan for the Smartphone or tablet is provided by the mobile carrier network, and is not part of the Pivotel New Zealand inReach 2-Way Satellite Communicator Service.
